The Many Faces of Perinatal Mood Disorders

Provided by:

Columbus Public Health
Caring for 2

Coprovided by:

The Franklin County Maternal
Depression Task Force

Date

Wednesday, April 28, 2010
5:30-8:10pm

Location

Columbus Public Health Auditorium
240 Parsons Ave, Columbus, OH

Perinatal mood disorders affect approximately 15-20% of new mothers. The entire family is impacted.

GOAL

To identify:

- The purpose and activities of the Franklin County Maternal Depression Task Force;
- Perinatal mood disorders, symptoms, occurrences, screening tools, treatment options, and resources for Perinatal Mood Disorders.

OBJECTIVES

- Identify the purpose and the activities of the Franklin County Maternal Depression Task Force
- Recognize Perinatal Mood Disorders and their Symptoms
- Identify the impact on the families of the percentage of women affected by Perinatal Mood Disorders
- Identify screening tools used to recognize Maternal Depression
- List treatment options for Perinatal Mood Disorders
- Identify resources for Perinatal Mood Disorder Intervention
